

2016 Match Card Information

Match cards must always be left at the ground a game is played, to be handed into Macarthur Office by that host club.

It is the home clubs responsibility (or in the event of home team playing away, the host clubs responsibility) to make sure a match card is available for every match.

M-League and Association Cup 'home' teams should always have a match card with them when playing at an alternate venue.

SOME INSTRUCTIONS FOR FILLING IN MATCH CARDS

- Please ensure only Black/Blue ballpoint pen is used. NO felt tip, pencils or gel pens.
- As the match card is a legal document please do not use any form of WHITEOUT or CORRECTION FLUID.

- Players serving suspensions are recorded under the stood down heading on the card. Please advise your managers that this is not for absent players. **If a player name is not recorded here it will not count towards a suspension being served.**
